FEBRUARY 7, 1974

SENIOR VICE-PRESIDENT PLANS TO RETIRE

HENRY KREISEL, Vice-President (Academic) since 1970, notified the Board of Governors Friday that he intends to resign as Vice-President at the end of his five-year term. He has announced his resignation early to allow a selection committee ample time to choose a successor.

After taking a year's sabbatical, Dr. Kreisel plans to return to the Faculty of Arts to teach literature and, perhaps, to add a few more titles to the list of short stories and novels he already has to his credit. His term as Vice-President expires August 31, 1975.

GENERAL FACULTIES COUNCIL

By FOLIO Staff

The regular meeting of General Faculties Council was held January 28, 1974.

TRIBUTES

Members paid tribute to B. L. DUELLI, Professor of Physics (working with the TRIUMF project in Vancouver) who died December 22, and to LEONARD E. GADS, Professor Emeritus and former Associate Dean of Engineering, who died January 1.

ALBERTA COUNCIL OF UNIVERSITIES

Council approved three motions dealing with the establishment of The Alberta Council of Universities. The motions are based on those proposed by the Universities Co-ordinating Council, which the new Council will replace; the second and third motions were amended before they were approved. The final motions are:

- (1) THAT the Co-ordinating Council recognizes the need for co-ordination and recommends that "The Alberta Council of Universities" be established. The membership of the Council is to be the Chief Executive Officer and Chairman of the General Faculties Council of each university, plus two persons elected by each General Faculties Council of the universities of Alberta, Calgary, and Lethbridge with a similar arrangement for Athabasca University;
- (2) THAT the Council is to be considered as a major policy generating and co-ordinating body

for the universities system in Alberta;

(3) THAT the Department of Advanced Education be asked to support the concept of an Alberta Council of Universities.

UNIVERSITY COLLECTIONS

Members discussed the Report of the University Collections Committee and considered its recommendations. They also considered a submission from the Department of Geology, which expressed concern for the future of its museum if a Director of University Collections were appointed.

JAMES PARKER, University Archivist and chairman of the committee, emphasized the need for completion of cataloguing and for taking steps to preserve and restore the components of the collection. He noted that various individuals and groups had voiced concern about construction of a display museum at a time when funds were in short supply. He stressed that the committee does not recommend such a project, but it does emphasize the need for preservation of the collection under the best possible conditions.

Some members questioned the need for a director at all, arguing that individual departments could look after their own collections. Others felt that any centralizing tendencies which would result from appointment of a director would be detrimental to the university as a whole.

Other members felt that the need to appoint a Director of University Collections is urgent in view of the value of the collection (estimated to be millions of dollars) and in view of the need for complete cataloguing.

W. D. NEAL, Vice-President (Planning and Development), then made the following motion which was carried:

"THAT the matter be referred back to the University Collections Committee in light of the discussion today, and that representations from that Committee be made to the University Planning Committee."

NEW MEMBERS

Council recognized the following new members, whose terms expire on the dates noted.

Elected

D. RANKIN, Professor of Physics (June 30, 1976)

Appointed

- G. W. LAMBLE, Associate Professor of Extension (December 31, 1976)
- C. D. SHARPLIN, Professional Librarian (June 30, 1974)
- B. J. BUSCH, Professional Librarian (June 30, 1975)
- J. A. BRENNAN, Professional Librarian (June 30, 1976)
- LILLIAN WHYTE, Associate Professor of Educational Psychology (June 30, 1975)
- K. CARIOU, Arts 2 (April 30, 1974)

MEETINGS OF COUNCIL COMMITTEES

Members approved the following motion made by E. E. DANIEL, Professor of Pharmacology:

"THAT General Faculties Council require the University Planning Committee, the Academic Development Committee, and the Campus Development Committee to notify the secretary of General Faculties Council of meetings and agendas."

A further motion made by Professor Daniel was tabled to allow time for consideration: "THAT General Faculties Council establish an appropriate mechanism whereby decisions of committees to which it has delegated its powers for decision can be reviewed before final implementation."

CITY-UNIVERSITY RESEARCH COMMITTEE

Council approved revised terms of reference for the University and City of Edmonton Research Committee, excerpts of which are reprinted here:

Composition of Committee

Chairman—elected from the members of the committee and with the right to vote; Secretary—appointed by the members of the Committee;

Four members appointed by the GFC Committee on Research, The University of Alberta;

Four members appointed jointly by the City Administration and the Council of the City of Edmonton with representation from the City and the Council.

When necessary the Committee shall have the power to consult other members of the academic and civic community.

Objectives of the Committee
The University and City of Edmonton

Research Committee (UCERC) shall have the following objectives:

- (a) To assess, by such means as a continuing Inventory of University Research Services and Facilities, the scope of reciprocal assistance which shall be of mutual benefit to The University of Alberta and the City of Edmonton;
- (b) To make a significant body of existing, closely related research on municipal systems both within The University of Alberta, the City of Edmonton, and elsewhere more accessible and usable by policy- and decision-makers and researchers:
- (c) To suggest areas for which policy-related research proposals on municipal systems may be submitted—for example, LOCAL SERVICES: fire protection, health care services, housing services, manpower and human resources programs, municipal courts and corrections, parks and recreation, police protection, snow removal operations, solid waste disposal, solid waste management; ORGANIZATION AND REGULATION: citizen participation, economic development, franchising and regulation, information systems, land use controls, municipal management methods and budgetary processes, personnel systems;
- (d) To examine research proposals which shall be of mutual interest and benefit to The University of Alberta and the City of Edmonton, and to consider the extent of reciprocal assistance required by both parties if a proposal is approved; such deliberation shall include the type of research agreement required, the need for exchanging staff, time factors involved, and any general conditions relevant to the nature of the proposal.

BOARD OF GOVERNORS

By FOLIO Staff

The Board of Governors and its Executive Committee met February 1, 1974.

ADMISSIONS AND TRANSFERABILITY

MAX WYMAN, President, reported that the Department of Advanced Education has agreed to defer action on its admissions and transferability proposals until the matters have been discussed jointly by Alberta's post-secondary institutions. Dr. Wyman said he "feels certain agreement on a policy can be reached" by the institutions concerned. Representatives of 11 institutions will meet February 12 in Calgary to formulate a policy.

BUILDING LEASED TO HOSPITAL

On the recommendation of the Building Committee, Board members agreed to lease to the University Hospital the temporary building formerly used by the Departments of Pathology and Bacteriology. The lease is for five years. The Hospital will pay a rent of \$1 per year and will be responsible for all services and costs of utilities. The building is located on 114 Street, just south of the Medical Science Building.

PEMBINA HALL

Members voted to table a motion by Students' Union representative GEORGE MANTOR "THAT the Board support the continued use of Pembina Hall as a residence and that repairs be undertaken to restore the building." They agreed it would be premature to support such a motion until they had considered a report on the building by the Campus Development Committee. The report will likely be received early in March.

SALARY COMMITTEE APPOINTED

At the request of the Graduate Students' Association, the Chairman named three members to a committee to implement existing Board policy of considering, annually, the basic salary and maximum differentials for Graduate Assistantships. Committee members are: MAX WYMAN, President; R. G. BALDWIN, Dean of Arts; and D. C. RITCHIE, member at large.

ADDITIONAL FUNDS APPROVED

The Office of the Registrar will receive an additional \$24,750 in its 1973-74 budget to complete the current year's work on its advanced registration project. The new registration system will be implemented March 1 of this year.

MEMORIAL ORGAN

The Building Committee reported for information that it has agreed to engage a

consultant to determine what repairs are needed, and at what cost, to restore the Memorial Organ in Convocation Hall to good working order. The decision arose from a Senate proposal to institute a fund-raising project for the renovation of the organ. The Senate has agreed to defer any appeals for funds until the consultant's report has been received.

HONORARIUM FOR CHANCELLOR

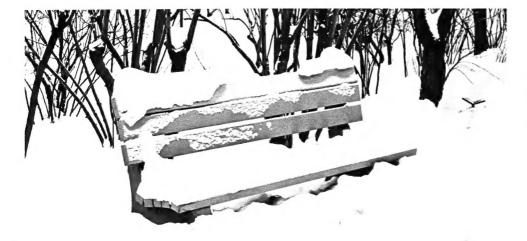

The Board reserved comment on a Senate resolution that consideration be given to the establishment of an honorarium for the Chancellor, pending an inquiry by the Chairman into the government's policy on the awarding of honoraria. It is the Board's responsibility each year to approve a budget for the Senate.

VISITORS

- J. J. HORNING, RON BAECKER, and C. C. GOTTLIEB, all of the University of Toronto, recently conducted colloquia in the Department of Computing Science.
- H. HANANI of the University of the Negev, Israel and Visiting Professor at The University of Calgary and P. O. H. VERTESI of Budapest, Hungary conducted colloquia in the Department of Mathematics.
- JAMES ALBRIGHT of Pharmacia Limited led a seminar in the Department of Biochemistry.

PEOPLE

- RAJ S. PANNU and JOHN R. YOUNG, who both have joint appointments in Sociology and Educational Foundations, have been awarded a research grant of \$42,000 by the Secretary of State to conduct a study of supplementary language schools in Canada.
- ANDREW CLARK, Assistant Professor of Industrial and Vocational Education, has been asked to furnish biographical details for Leaders in Education (5th edition).
- MURIEL A. WHITAKER, Assistant Professor of English, has been elected to membership in the International Research Society for Children's Literature. The society has headquarters at the Johann Wolfgang Goethe University in Frankfurt, Germany.
- SALEEM QURESHI, Professor of Political Science, and LESLIE GREEN, University Professor in the Department of Political Science, have been invited to contribute chapters on the Asian and Canadian perspectives respectively for a book entitled Perspectives on International Terrorism to be published by Praeger Publishers, New York.

In the bleak mid-winter
Frosty wind made moan,
Earth stood hard as iron,
Water like a stone;
Snow had fallen, snow on snow,
Snow on snow,
In the bleak mid-winter,
Long ago.

C. G. Rossetti, "Mid-Winter"

- ERNEST REINHOLD, Professor of Germanic Languages, has been elected to the Delegate Assembly of the Modern Language Association of America. Professor Reinhold is also a member of the association's Comparative Literature, Bibliography, and Research Committee, and is a bibliographer for the MLA Annual Bibliography.
- M. R. LUPUL, Professor of Educational Foundations, gave a paper on multiculturism and bilingualism at the meeting of the Western Association of Anthropology and Sociology held in Banff.
- T. AOIKI, Professor of Secondary Education, has been appointed to the Advisory Committee on Ethnic Studies, Canadian Citizenship Branch, Department of the Secretary of State.
- JOSEPH M. KIRMAN, Associate Professor of Elementary Education, has received the 1973 Public Relations Award for "best audiovisual presentation," given by the Council of Jewish Federations and Welfare Funds, for his film-strip "The Jewish people."

NOTICES

COOLING PLANT TO BE SHUT DOWN

The central cooling plant will be shut down for a period of six weeks starting about February 11 to facilitate the installation of an additional chiller to increase plant capcity.

During the shutdown it will not be possible to maintain the same control of space temperature in campus buildings as is normal. Manual adjustments will be made where possible to minimize the effect but some areas will experience above or below normal room temperatures. Only areas where temperatures are found to be extreme should be reported, by phoning 432-1212.

REVISION TO TRAVEL REGULATIONS

At its meeting on January 4, 1974 the Board of Governors, on the recommendation of the Finance Committee, approved an amendment to the travel regulations (Section I), as follows:

AIR 1. "Air travel shall be reimbursed an amount not exceeding ECONOMY rates by the most direct route. In those circumstances where air travel has occurred at rates less than economy, reimbursement will be based upon the out-of-pocket fare expense. Additional fare costs incurred for stopovers which are not related to University business will not be reimbursed."

The foregoing revision, with immediate effect, became necessary to clarify the basis of reimbursement of fares in the light of the variety of schedules and services available from air carriers (e.g. excursions and weekend rates, charters, etc.). In such cases, the reimbursement is to be based on "out-of-pocket fare expense."

Any inquiries on the foregoing should be made to the Office of the Comptroller, Travel Division, telephone 432-3845 or 432-1353.

INDIAN EDUCATION MEETING

Representatives of the Senate and the Indian Education Centre will meet next week to discuss the Centre's proposals that liaison be established between the University and the Centre, and that an affiliated Indian education unit be set up. The discussions will take place at an open meeting Monday, February 11 at 8 p.m. in the Saskatchewan Room at the Faculty Club. Anyone with an interest is invited.

FACULTY WOMEN'S CLUB

The University of Alberta Faculty Women's Club would be glad to welcome new members. Women who have joined the faculty since September 1973, or wives of men who have recently joined the staff are invited to

telephone BARBARA HOROWITZ at 434-5696 for more information about the club and the many interest groups associated with it.

ART AND POLITICS

Next week, one of France's most celebrated philosophers will give five lectures here under the general heading of "Art and Politics." Known best for his work in phenomenology, existentialism, aesthetics, and the philosophy of language, MIKEL DUFRENNE of the Université de Paris and Distinguished Visiting Professor in the Department of Philosophy, will be speaking about the "politicalization of artistic practice."

Sponsored jointly by the Department of Philosophy and the Canada Council, Professor Dufrenne will be speaking on a different aspect of his theme at 3:30 p.m. every afternoon, February 11 through 15 in room TL-11 of the Henry Marshall Tory Building. Each lecture will be followed by a panel discussion. The titles of the lectures and the names of the panelists are listed in "This Week and Next."

DATA NEEDED

TINA CHOW, a graduate student in the Family Studies Division of the School of Household Economics, would like to interview mothers who have attended a consciousness-raising or rap group. The experiences of those with pre-school children are of particular interest to Ms. Chow, who is working on a master's thesis on child rearing.

Mothers who would like to participate are asked to telephone Ms. Chow through the Family Studies Office at 432-5771.

HATHA YOGA COURSE

The Keep-fit Yoga Club is organizing Hatha Yoga and Yoga Relaxation classes for men and women. A course of eight lessons will commence February 12, with classes being held twice a week in the evenings. Previous yoga experience not necessary.

For further information write to the Keep-fit Yoga Club, Box 120 Sub Post Office 11, The University of Alberta; or telephone HUBERT DHANARAJ at 439-7897 during the evening.

EXTENSION COURSE ON TELEVISION WRITING

The Department of Extension is sponsoring a course on Television Writing, beginning February 21. The purpose of the 10-week course will be to acquaint students with the type of stories television producers are apt to buy. The course will also teach students how to present their material for consideration. This will include the format of the script, dialogue writing, and other elements basic to writing for television. The emphasis will be on writing drama. Documentary writing will not be discussed, but current American and Canadian television programs will be.

The instructor will be JARON SUMMERS, who holds a Master of Fine Arts degree in film and television writing from the University of California at Los Angeles, and who has sold television dramas to both American and Canadian networks.

Class hours will be 7:30 to 9:30 p.m. for 10 Thursday evenings. The fee is \$35.

Registrations are being accepted at the Department of Extension, Corbett Hall, telephone 432-5055 during the day or 432-3116 at night.

THIS WEEK AND NEXT

Listings must reach the Editor by 9 a.m. the Friday prior to publication. Written notification is preferred. Compiled by NORMA GUTTERIDGE, 432-4991.

7 FEBRUARY, THURSDAY

Medieval and Renaissance Guild 8:15 p.m. "Sebastian Castellio: humanist and heretic" by NICHOLAS WICKENDEN, Associate Professor of History. Henry Marshall Tory Building, room 14-9.
